

Directions to Sandy Beach

Please note that this is not the beach in Lion's Head. Sandy Beach is on the west side of the peninsula on Lake Huron.

- Take Hwy 6 north to the Ferndale corner.
- Turn left and go west at Ferndale on Bruce County Road 9. Continue to the stop sign.
- At the stop sign turn right and go north on Stokes Bay Road. Go past Myles Bay Shore Road, past another small dead end street that goes off to the left, and turn left on the second Myles Bay Shore Road. (this is before you get to the Celtic Camp)
- Follow this road down to the lake where you will immediately see another small road going off to the right that follows the lakeshore, called Sandy Beach Road.
- Take Sandy Beach Road to the right and go to the end where you will drive directly into the parking lot, also called Black Creek.
